## **DISTRIBUTION/DELIVERY**

Our own vehicles provide deliveries **7 days a week** to all postcodes within the **M25** and a further **10-mile radius**. Subject to **minimum delivery**.

Most orders placed between **10am and 3pm** can be delivered the next working day- subject to volumes and availability.

Call our offices- **0208 527 5002** to place an order.

**YOU MUST CALL BETWEEN 10am- 3pm MONDAY-FRIDAY TO PLACE YOUR ORDER.**

As our products require sufficient notice to bake and deliver please adhere to the above office opening hours. Messages can be left on our answering service, but this does not guarantee delivery for the next day. **We would recommend that you place an initial standing order, which may be altered on a daily basis.** This will avoid any unnecessary disappointment should there be a problem with contacting our telesales department and would ensure that you receive a delivery.

Any amendments or cancellations to orders must be made before 3pm the previous day. We will not be able to accept changes after this time.

**0208 527 5002 info@iwbakery.co.uk**

### **Delivery**

We deliver Monday to Sunday, please note that Sunday/Bank Holiday deliveries may vary depending on location. As deliveries are made from midnight onwards, if you are closed at the specified delivery time, please provide in advance a key or arrange a secure place to leave the order. Unfortunately, we cannot accept responsibility for any deliveries requested to be left unattended or in places which are exposed to the weather and/or wildlife. For deliveries outside of our routes- an extra charge may be added but this is subject to agreement.

### **Availability**

All products are offered subject to availability. Circumstances beyond our control may cause shortages. If we do not have a particular item in stock or available, we may have a similar alternative product for you. Bespoke products can be made to order- subject to minimum order quantity.

## **Payment**

Payment terms are weekly. Subject to agreement. We accept cash, cheque and BACS.

## **Damages/Shortages/Concerns**

Please ensure that you inspect your order as soon as possible. Any damages or shortages must be notified to International Wholesale Bakery before Midday on the day of delivery. Goods will not be uplifted unless the delivery driver has an uplift note detailing the product and quantities. Please note that credits and replacements will not be given until our Quality Control Department has inspected the returned goods. Please make sure that you fully document any such issues with photographs and send these back to us so we can rectify the situation and issue any credits as appropriate.

Thank you,

International Wholesale Bakery.
